# CAMP KOOLAREE 2009

We're looking forward to having you join us for another incredible year of camping! Check out the following pages for info on our camp, or visit our website at [www.koolaree.com](http://www.koolaree.com).

Camp Koolaree is an incredible 137-acre wilderness camp on Kootenay Lake; rustic and in the woods! There are no roads, no radios, no electricity — just an opportunity to grow, to learn and to “Be still and know that I am God”. Established in 1931 Camp Koolaree and its beaches, dock, trails, mountains behind and lake in front make a true wilderness setting.

## Our Mission

At Camp Koolaree, our mission is to provide an experience of God and community in a safe, sustainable and natural setting where campers and staff can deepen their understanding of what it means to live with respect in creation, to love and serve others, and to be good stewards of God's world.

All are valued and welcome for fun and personal growth in a camp where mutual respect and integrity is fostered and celebrated. Campers enjoy a safe and compassionate environment without worrying about bullying, competition, exclusion or denigration. While Christian in orientation, the camp provides a God-centered focus through experiences in nature and experiences with others in community. Campers learn that the principles they live by at camp can be used in their regular lives after they leave, to help create a happier and healthier world for all.
